

## Vista Solutions Group Product Suite Available on the Ohio State Term Schedule

**Austin, TX – December 15, 2009** - Vista Solutions Group announces today its full line of products and related services is now available through the [Ohio State Term Schedule, contract number 534235](#).

Vista Solutions Group, VistaSG, is a full service technology and solutions provider focused on the needs of the state and local government. For more than ten years, VistaSG has been providing governmental agencies the ability to drive an automated, paperless environment through integrated, scalable, and robust products.

The core product suite includes netDMS™ document management solution and eUniversa™ electronic filing. netDMS includes a customizable product family such as: eDocket for judge calendaring, IDentiHide automated redaction, SmartDocket automated indexing, and JudgeSign and SignIt signature solutions. eUniversa electronic filing portal is an end to end eFiling solution encompassing full compliance with ECF 4.0 specification. Various components include: a browser-based Filer Interface, Pro Se interface for the self-represented litigant, Smart Document Interface, One Button, and a browser-based Clerk Review Queue.

Jim Boyington, President, Vista Solutions Group, "VistaSG is committed to providing innovative solutions to the justice community of Ohio and abroad. With over ten years serving Ohio, we look forward to continuing our success in providing forward thinking solutions that meet the needs of the Ohio Governmental Agencies through our availability on the Ohio State Term Schedule."

With over 100 clients in the United States and abroad, VistaSG has a proven record of providing solutions aimed at driving a more paperless environment for the public sector.
